				Notes: Scores for checkpoints 30 thru 33 removed due a 10 minute mistake in the out time for the CZT restart after the transit 22 checkpoints were scored. Checkpoint 37 did not trigger for cars 9 and 10. I have let this stand, any score between 0 and 300 would not have changed the placing of these teams. Nic and Andy ran as sweep and was not part of the competition as Nic helped with the pre-check of the rally two weeks ago.
